12. Online Course(s) requested

Please Note the following:

- Online courses are facilitated by a teacher who will set the pace of the class. Students will be expected to log in on every school day and to meet course timelines.
- All students must successfully complete a short online student orientation module before they may start their online course.
- OCDSB online courses are part of our day school program and students should not be taking more than a full course load of 4 courses/semester (total number of in-school and online courses), except in extenuating circumstances.
- There are waitlists for most online courses. Once an online course is started, students will be expected to complete the course and will only be permitted to drop the course in extenuating circumstances.

Online Course Registration Notes:

- Online courses will be offered subject to sufficient enrollment.
- The OCDSB is a member of the Ontario eLearning Consortium (OeLC). In addition to courses offered by the OCDSB, students will also have access to courses offered by other OeLC boards.
- Registration in online courses is subject to the approval of the home school principal.
- The list of OCDSB 2012-2013 online courses will be confirmed by the end of April 2012 and scheduled into a semester. Other OeLC boards will post their courses as they confirm their course offerings.
- Starting in May 2012, Student Services/Guidance staff will register students for 2012-2013 online courses.
