## **SEE WHAT LISGAR COLLEGIATE INSTITUTE HAS TO OFFER!**

- **Gifted Program**
- **Regular Academic Program**
- **Advanced Placement Program**
- **Core French Program**
- **Extended French Program**

### International Advanced Placement Program

We have a large selection of international Advanced Placement (AP) courses which are open to all university bound students. Universities in 120 countries give first year credits for Advanced Placement courses.

### Fine Arts

We offer at least three Fine Arts courses (Art, Drama and Music) in every grade. We have one of the only two music programs in Ottawa that offer both string instruments and band instruments.

### Classical and International Languages

Spanish and Latin courses offer further enrichment for our students, including AP and university preparation courses.

### Academic Excellence

Many students have won and continue to win top honours in provincial and national competitions in Math, Science, Social Science and the Arts.

### Extra-curricular Opportunities

Lots of fun, great school spirit, leadership training and development in our extra-curricular activities, clubs and teams.

### **Gifted Program:**

- Lisgar offers a wide selection of gifted courses in all grades.
- Congregated gifted courses are offered in core subject areas - English, Math, Science, Social Sciences. (Congregated means that all of the students in these classes are formally identified as gifted).
- Gifted students can combine the Gifted program with the Extended French program OR with the Core French program. They may also pursue credits through the AP Program.
- The gifted program is not more work, it's different work. It is a program that has been designed with the identified needs of the gifted learner in mind.
- If you are looking for information about admission to our Gifted Program, visit our website at: [www.lisgar.ca](http://www.lisgar.ca).
