3. Communication	10 %
4. Thinking/Inquiry/Problem Solving	25 %

SUMMATIVE

Performance task: 10%

Final exam: 20%

Summative Due Date(s):

ASSESSMENT METHODS

Students will be continuously assessed in a variety of ways during the semester. For example, there will be quizzes, unit or chapter tests, projects, problem assignments, lab reports, and so on. There will be a combination of individual and group activities.

TEXT: Nelson Biology 11 (Thomson Nelson); Replacement cost: \$114.93 (subject to change)
The text must be covered with sturdy paper. Please don't tape the cover to the text.

REQUIRED MATERIALS:

Scientific calculator (non-programmable)
3-ring binder
loose-leaf paper: lined, blank, and graph paper
pen and pencil

EXPECTATIONS: You are expected to arrive on time with the appropriate materials, including your textbook. You are expected to be present and punctual for every class, and to behave in a mature and dignified manner. It is each student's responsibility to catch up on any notes, assignments, experiments, and tests missed during an absence.

Your agenda is to be brought to every class.

Electronic devices such as cell phones, MP3 players, etc. are not allowed in the classroom. Neither is any food.
